I want to focus on a truly stable funding source for schools. It is always a fight in the legislature to fully fund k-12

3. What leadership skills do you believe you bring to the board of directors? Give an example of a situation in which you demonstrated these skills.

I've been on the Beaverton Board for eight years, and have used my leadership skills to focus on being a voice for underserved students, and worked to provide resources for at-risk students.  - Using equity-based decision making to meet the needs of students of color

- What is your plan for communicating with boards in your region? Continuing to have the Washington County School Board legislative summit in the late fall. Meeting with regional school board members at the OSBA conference in the Fall.
 - Washington County has had a yearly legislative event typically before the session begins. this year might be difficult to schedule due to so many seats up in the air.
