What Funding is Available?

- $205 million for the 2015-17 Biennium
  - $175 million for schools and $30 million for emergency facilities
  - $1.5 million maximum grant per building
- No match requirement
- OBDD-IFA reimburses eligible expenses
Who is Eligible?

- K-12 public schools
- Community colleges
- Education service districts

Buildings with a capacity of 250 or more persons routinely used for student activities.

Owned by a school district, an ESD, a community college or a community college service district.
The SRGP Schedule for 2016

- Outreach and Workshops
- Application Submittal
- Committee Review of Applications
- Awards Announced
Application Requirements

- Completed Application
- Preliminary Engineering Report or Assessment
- Cost Estimate
- Benefit Cost Analysis
- Photos
Preliminary Engineering Report & Cost Estimate

- ASCE 41-13 (except increase the levels of earthquake ground motion)
- Must Clearly State: Building Deficiencies & Proposed Fixes
- OBDD-IFA Cannot Pay for Cost Overruns – Good Cost Estimates are Important
- Include Contingencies
Ineligible Activities

- Demolition/Rebuild or New Construction
- Any Building Located in Tsunami Inundation Zone
Benefit Cost Analysis (BCA)

What is a Benefit Cost Analysis?

- A BCA is about evaluating risk – the risk for potential damages, economic losses and casualties in future earthquakes. The higher the level of risk is for an existing building, the greater the benefits are of reducing that risk by retrofitting the building.
Benefit Cost Analysis (BCA)

- What affects your Benefit Cost Ratio?
  - Occupancy
  - Replacement Value
  - Rehabilitation Cost
  - Site-Specific Seismic Hazard Data

- Oregon’s BCA Tool
  - Based on Rapid Visual Screening (RVS) Scores
  - Projects Should Have a Score $\geq 1.0$
BCA Data

Information you will need for the BCA:

- Rapid Visual Screening (RVS) ID
- Square Footage
- Total Rehabilitation Cost
- Building Occupancy Information
- Operating Budget Information
- Year Built
- Primary Structure Type
- Building Replacement Value
- Content Value
## Ranking Factors
