

Stand for Children Campaign Support

Presenter: Parasa Chanramy

STAND
for children

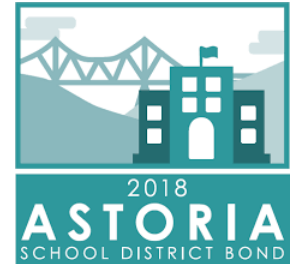

OREGON

Types of In-Kind Supports

For bonds and levies that have a strong connection to Measure 98 and Student Success Act, we can offer support with:

- Advising you with your community engagement plan
- Helping support different parts of your campaign plan
- Pulling voter lists for voter outreach (mail, phonebanking and canvassing)
- Setting up phonebanks using CallFire
- Cutting turf using Organizer

Examples of how we have supported different bond campaigns
