339.368 Posters regarding domestic violence; rules. (1) The Department of Education shall provide school districts with posters containing information in both English and Spanish regarding domestic violence and at least one toll-free hotline telephone number that a student may call to obtain information and help regarding domestic violence.

(2) Each school district board shall adopt policies that require posting of the posters in clearly visible locations on school campuses in accordance with rules adopted by the department.

(3) The department shall adopt rules to implement the provisions of this section. [2015 c.400 §5]

A charter school board is generally not a "school district board."
