Effective Messages

The Common Core will help students succeed in College & Career.

Higher standards lead to greater opportunities for all students.

Teachers overwhelmingly support the standards.

We are providing teachers the support they need to make the Common Core a success.

Assessment aligned to the Common Core will help foster great teaching.
Less Effective Messages

- Supported by Bi-Partisan set of Governors and State School Chiefs.
- Voluntarily adopted by states.
- Internationally benchmarked.
- Replaced existing standards.
